### **Bike day with Rotary June 1, 2024**

Want to do a 7 km family friendly ride or a longer 16 km ride? Join us on June 1 for a group ride. This year we are hoping to grow the ride from 50 people to 200 people! We are looking for ride leaders. Can you lead a group with us? Not a leader? Why not come for the ride anyway? We will let you know when registration opens.

It looks like 150 people have signed up. We will need 4 to 5 bike leaders.

### **2024 Action Plan**

Objective 1: Done last month. Recruit and retain more people to the committee.

Objective 2: Conducting three community bike rides for spring, summer, and fall including supporting the Rotary Ride.

Objective 3: Advocate for safe cycling for all ages and abilities. This includes a ride with TransLink and City staff, plus presentations to the city council. The bike ride is April 11.

Objective 4: Advocate for improved stakeholder engagement.

### **Local ride leader training 6 April**

Want to get involved but do not know where to start? Why not lead a bike ride? HUB Cycling is providing an all-day training session on April 6 on how to lead a group ride. Register at <https://revenue-can.keela.co/local-committee-ride-leader-workshop-registration>
