

Suggested spot improvements:

Flashing pedestrian/cyclist crossing lights at:

- the bike crossings at 227th Street both for the 123 bike route (at 124 Ave and Reid Ave) and for the 121 bike route crossing at Brown Ave.
(could be done as part of the improvements along that stretch of 227th Street).
- the 123 bike route crossing at 232nd St. (at 122 Ave.).
