Adoption of minutes:

Hub committee Ride

Short ride to show the ability to use your bike for commuting to school. This would be in the Langley school area. Bruce is willing to lead the ride. Brydon Lagoon to Christian Life Assembly school. Approximately 4.7 km or 16 minutes. Spring break 14 March to April 1. Tentatively April 1 at 10 AM.

Does HUB have an Event Brite account? Tim to check. Alaina to contact Langley Hub about this event.

May 4 is a possible date for our second ride.

Bike day with Rotary June 1, 2024

Tim did a presentation to the Rotary club about HUB cycling. Tim has two proposed routes. Can we get HUB Instructors or other committee ride leaders? Tim is working with Rotary Club (Dave Hayer) to organize this ride.

2024 Action Plan

We reviewed the 2023 action plan.

Objective One - Host 2 family bike rides

Objective Two - Vision Zero grant application – Not sure if this was completed. We need to check with John.

Objective Three - Present to City Councils, build relationship, participate with transportation committee.

Draft 2024 objectives – Tim filled it online at the HUB website.

Objective 1 Recruit and retain more people to the committee.

More objectives next month.

Connecting with Parent Association Committees for school

Hoping for HUB to provide a direct connection with the PAC. Six schools confirmed and three pending to do the bike education programs in Surrey this year.

Bus Rapid Transit Stakeholder recommendations

[Bus Rapid Transit | TransLink](#) It's a dedicated bus lane on major roads. In Surrey its on the King George Boulevard for 23KM. It would go from Guildford Mall to White Rock. [24: Action - Bus Rapid Transit \(BRT\) Routes - Local Committee Collaboration - Google Docs](#)

Committee Recommendations in order of prioritization:

- Protected cycle lanes constructed along King George from the BC Parkway at University Drive to White Rock
- Construction of multi-use path connection at 80 Avenue across creek to 137 A Street
- extension of protected cycle lanes from King George to creek bridge
- Extension of 70B Avenue protected cycle lanes to 138 Street.
- Extension of multi-use path on 144 Street to 100 Avenue
- Protected cycle lanes on 150 Street from 105 Avenue to 100 Avenue
- Protected cycle lanes on 148 Street from 105 Avenue to 100 Avenue
- Protected cycle lanes on 140 Street from 105 Avenue to 100 Avenue
- Pay per day use bike steel lockers (like Carvolth Exchange) at the stations or at every 2nd station
Bike share station (or floating bike home locations near BRT stations)
