1. Introductions
2. Designating minute-taker
 - Meeting being recorded, Jonathan is writing notes
3. Additions to agenda - RapidBus R6- Scott Road Corridor
 - Surrey is engaging with Drew Ferrari from TransLink. Sandra has reached out and will handle it—need presentation and meetings
 - The lane is a cycle lane as well as a bus lane. Proposing reducing the speed limit on Scott Road from 60 to 50.
4. Vision Zero Presentation, ICBC Road Safety (Karon Trenaman)
 - Presentation of Vision Zero
 - Exploring possibilities to have a celebration station in Delta, and collaborating with Safe Active Transportation, ICBC
 - Karon is connecting Roel with new constable Young to discuss speed limits, road safety
 - Karon will send infographics about Vision Zero to HUB group
5. Updates
 - Quick fixes and signage placement
 - Using TalkDelta to report gaps, infrastructure gaps

- Great Blue Heron Way Updates
 - There is a [web page](#) for the Great Blue Heron Way now on Trails BC's website
 - Trails BC is starting to introducing the idea of the Great Blue Heron Way, relationship with existing trails, and First Nations oversight of the connections between First Nations. They are having a meeting with MVRD and FVRD this week to see how this will play out, and how to ensure First Nations play a large role
 - Delta Cycling Master Plan
 - No updates
 - Bike ride with Sr. Delta Staff
 - Roel and Neil rode with City of Delta staff Mike Brotherston and Kaelin? in Tsawwassen and Ladner. Identified about a dozen different problem spots along the way
 - Neil will put together the report and upload it onto the wiki
 - Ladner West Dyke Culvert Plan
 - "We should ask the question about the Culvert"
6. Next Committee Meeting
- Tuesday, November 16, 2021. 7:00 - 8:30
