

HUB Richmond/YVR Committee: *Meeting Minutes*

Thursday, January 13, 2022 • 7:00-8:30PM

Attendees: Anna Chow, Cedric Lin, Derek Williams, Donna Kwan, Jonathan Mak

Links:

[Meeting Agenda](#)

1. Welcome & Introductions

- Check-in - name, pronouns, and what did you do over your winter holiday?
- Call to order for January Agenda - any additions/omissions?

2. Advocacy Opportunities/Barriers

- Registration page on HUB EventBrite for Richmond/YVR future events.
- Proposal application to ICBC for workshop and bike ride
Donna: How to reach high risk populations? Go with what Lilian has proposed. Cyclists of all abilities: mass targeting
- Involving schools into cycling (from last meeting).
- Signs directing to bike paths in Richmond (from last meeting).
Derek: Just need to tell the City, if we have specific locations in mind—make a list. Ask the mailing list for input on signs needed. Since City's initiatives are ~ 5-year out, you may forget about it after discussing plans (City needs time to acquire parts and build).
- Promoting HUB through signs and ads (from last meeting).
Jonathan: Different HUB LCs have different situations, allowing some to have more membership and some with less
- Past successes and issues
Derek: Brainstormed things to talk about to the City and sent to HUB Cycling; things people wanted to talk about. Talked about events and Richmond's infrastructure
- Need social community building and some real work to be achieved

3. Review & Approval of Minutes for Virtual Meeting held in December 2021

- [Minutes](#) for Dec 2021 meeting.

4. Items for Discussion

- Richmond LC Action Plan 2022—viewable [here](#) (**Everyone: please review**)

5. City of Richmond News / RATC

- Response to email re: Knight St. entrance barriers - Derek and Joan Caravan - being address by City
- Construction is starting at Capstan Station - request for bike parkade (email from Nathan Davidowicz)

Derek: Translink will review requests for bike racks and bike storage lockers for daily or hourly rental (secured and unsecured). They want to see usage and to discourage bikes on trains. Bike parkade available near new casino

6. #UnGapTheMap Updates

- Gap 619: Shell Road - Westminster to River Drive has been adopted

Derek: It's in the city plans.

- [Gaps in Richmond \(needs to be updated\)](#)
- **Derek:** Vital gaps are to get to the airport, ferries, and border; tunnel and connection to tunnel. Connections made to No.5 Road to Williams to Vancouver with a new tunnel. Steveston Highway from Railway Rd to the tunnel is being built in sections. All these gaps are being worked on but its progress is far
- **Anna:** Has Richmond ever had an Open Streets program? Think Vancouver does for main street. Closed off streets for a day or a few hours for cyclists, peds, and recreation/play

7. HUB Cycling Notices and Upcoming Events

8. New/Other Business

9. Next meeting:

February 10, 2022, 7:00pm - 8:30pm via Zoom. If you have items for the agenda, please email richmond@bikehub.ca.
