1. Agenda adopted
2. Minutes of May 9 approved
3. Old business – John D requested background information on VACC’s prior interactions with MOTI
 - A. Canada Line Bridge across Fraser River – received
 - B. IWMB reconfiguration to current format several years ago – nothing documented
 - C. IWMB inclusion in the current BC Gateway project for TCH south of the bridge – meeting only occurred between VACC and BEST after 2009 Feasibility Study**Action** Peter and Arno to contact Erin Moxin MOTI for an update – what are the Ministry’s plans for the bridge – any more studies.
4. Discussion on Draft North Shore VACC Discussion Document re BC Ministry of Transportation & Infrastructure IWMB Cycling Feasibility Study
 - A. John’s view is that the CH2M Hill was really a study why the bridge should be unidirectional. Discussed whether concurrent flow is an issue we promote or discourage. It’s worthwhile to encourage it. Suggested emphasizing approach improvements, in more general terms i.e. request a dialogue. Remove barriers to unidirectional flow.
5. Strategy
 - A. Draft Position paper needs merging of Jennifer Hinnell’s word doc suggestions.
 - B. **John and Fiona** to share with North Shore June 2nd. **Fiona and Lorraine** to share at Burnaby meeting June 9th. **Lorraine** to follow up re Vancouver meeting.
 - C. Finalize position paper after discussion with Vancouver, Burnaby and North Shore Committee. June meeting.
 - D. Present summary of position paper/request for study of access routes to City of Vancouver and District of North Vancouver TPAC (stands for Transportation Policy Advisory Committee) (Action: **John D** North Shore to approach someone on that committee) July 2011

- E. Refine document, present it to MOTI. September 2011
- 6. Lorraine's request to Freedom of Information has been put off for another month *"Your request requires consultation with a third party or other public body. An extension of the time limit beyond the due date of May 17, 2011 will allow the Ministry to provide you with a complete response to your request. Therefore, the new response due date is now June 29, 2011. We will respond sooner if possible."*
