APPENDIX 1 - Questions to Candidates of Langley and Langley East

- **What will you do to convince Langley and other municipalities to encourage active transportation?**
- **Will you support the inclusion of appropriate cycling and public transit infrastructure on any new provincial road construction projects?**
- **The Langley ridings are quite large and e-bikes have significantly affected how people are getting around both Langley City and The Township of Langley. Will you support the updating of the Motor Vehicle Act to recognize e-bikes and other personal electric mobility devices?**
