He also spoke about the Cross Canada Cycle Tour Society whose members use a lot of the rural roads in Langley and advocating for minimum safe passing distances. We hope John continues to come out to future HUB Langley meetings.
3. Changes for next year. Tony will be stepping down as chair for personal reasons and Mitchell will be assuming the position in the new year. We want to thank Tony for all of his hard work and dedication while he was chair. We will hopefully get together in December with HUB Langley committee members for a dinner to thank Tony.

6. Bike to Work Week October Review - Tony and Kathryn were at Carvolth for an afternoon on one of the days of BTWW. Tony mentioned there were not a lot of cyclists stopping by but a few bus commuters stopped by the tent. Tony, Sara, and Mitch went to Cap's in Langley City for another afternoon. There were a lot of commuter cyclists transiting on Logan Ave, but none of them stopped to talk. Sara suggested setting up at Langley City Hall for the next BTWW. Mitch brought up the idea of having a competition between Langley City and the Township of Langley mayors and councils. Geraldine will
