## Helpful Information About Cycling in Metro Vancouver

### Maps & Route Planning

Route planning has a HUGE impact on safety! Plan ahead.

- Route planning best practices
- Google Maps route planning
- Cycling in Vancouver
- Metro Vancouver Maps (TransLink)
- Bike to Transit
- Cowlines - multimodal trip planning App
- Metro Vancouver Municipality Maps
- Let's Go Biking (Easy rides around Metro Van for all ages and abilities)

### Insurance & Theft

Be prepared in case of an incident on your bike, or when encountering a dangerous situation on a bike route.

- Insurance: Are you covered?
- Bike Theft
- Been in a Collision? BikeMaps.org lets you track collisions and near misses

### Buying a Bike

Resources to help you decide which bike makes sense for you - cargo, road, hybrid, or city/commuter.

- Bike Shops with HUB Member Discounts
- Cargo Bike Buying Guide
- PST-Free Bikes, Trikes, and Related Items
- Bikeshare: in Vancouver, we recommend Mobi Bikes
- Commuter Bike Shopper's Checklist
- Bike fitting services and 'try before you buy' options

### Cycling Safety & Tips

Our Streetwise program includes a variety of public courses to reach people with different skill and experience levels. Sign up today!

- Cycling Courses
- Cycling with Families: SpokesMama Blog, Portland Family Biking Guide
- Newcomers Guide to Cycling
- 10 Cycling Safety Tips
- BikeSense: A Guide on Cycling Laws and Safety in BC

### Cycling Groups

Local cycling groups meet regularly to discuss cycling issues. You are welcome to join!

- HUB Local Committees
- Recreational Cycling Groups
- Become a HUB Member
- Follow us on Facebook, Twitter and Instagram

### Issues & Improvements

Help maintain cycling infrastructure by reporting potholes and unsafe street conditions or to request improvements. Or get involved in a HUB Local Committee and help us write letters, attend meetings and consultations.

- centennial seawalk
- hollyburn cabin area
- lawson creek heritage walk
- lighthouse park trails
- millstream trail
- old brewis trail
- seaview walk
- ▼ **spirit trail**
  - background: spirit trail
- trans canada trail
- whyte lake trail

## SPIRIT TRAIL

Once complete, the Spirit Trail will connect the communities of Horseshoe Bay and Deep Cove with a continuous, relatively flat pathway for walkers and joggers, cyclists and in-line skaters, and people with mobility aids. The West Vancouver portion will provide a connection between the Lions Gate Bridge and Horseshoe Bay.

### Trail Etiquette

- Helmets are required for bikers, in-line skaters and skateboarders
- Keep to the right of the trail and only pass on the left
- Use the trail with caution and watch for cyclists, walkers, joggers, skateboarders, in-line skaters and people with mobility aids

Here's some [background information](#) on the Spirit Trail. You can also find more information on the [City](#) and [District](#) of North Vancouver websites.

### Infrastructure Improvement Award

The HUB Bike Awards recognized West Vancouver for the great work and vision on the Ambleside Spirit Trail bike route. [Learn more.](#)
