To: His Worship Mayor George Harvie and Delta Councillors
Delta City Hall

Welcome from HUB Cycling Delta Committee

Dear Mayor and Council,

Congratulations on your election success and welcome to all.

The HUB Cycling Delta Committee is one of ten Metro Vancouver committees within HUB Cycling, a charitable not-for-profit organization established in 1998 that works to get more people cycling for transportation more often, through education, action, and events. HUB Cycling has over 2,000 members and 40,000 direct contacts. Our local committee also sits on HUB Cycling's regional committee. To learn more please visit bikehub.ca.

The HUB Cycling Delta Committee values its partnership with City of Delta elected officials, Delta Police and Delta staff, and is encouraged by the strong support for safe and expanded cycling facilities in Delta that many of you expressed during the past municipal election campaign.

Our committee is encouraged by the election of a Mayor and councillors with a keen interest in cycling and a willingness to find the means to provide the cycling facilities that enable:

- drivers be aware of cyclists on shared roads, such as with the use of green paint and bike boxes at intersections
- expanded and connected bike lanes and off-road trail systems that 'ungap the map' in Delta
- way-finding to support safe commuting and tourism within and between our unique communities
- hands-on bike education of youth in Delta schools.

Our committee members are ready and willing to get to work with you. The HUB Cycling Delta Committee has a Delta Priority List of items compiled and are always open to new ideas, discussion and funding opportunities to realize safe cycling for all ages. We share with you a mutual goal of healthy and connected Delta citizens.

Please let us know when you are available to meet to discuss this further. Thank you for your time.

Sincerely,

Neil Pope
Chair, HUB Cycling Delta Committee
