Hi,
We've received the below request, would it be OK if we chatted about this at tonight's meeting?
Thanks,
Ellie

Hello,

My name is Danielle and I am with the City of Coquitlam.

On July 1st, 2017 the City will host its annual Coquitlam Celebrates Canada Day event at Town Centre Park in Coquitlam, BC. This event is one of the largest community events organized by the City with over 70,000 residents taking part in the day's festivities. This year's Canada Day should be even busier with Canada celebrating its 150th!

Similar to previous years, the event will consist of several "streets" with one of them being the "Green Street". The Green Street will showcase various sections of the City's Environmental and Parks groups such as Water Conservation, Urban Wildlife, Waste Reduction, and Park Spark to name a few, as well as provide local environmental organizations the opportunity to educate the public about their programs and initiatives.

We would like to invite HUB to this year's Green Street at Coquitlam Celebrates Canada Day 2017. If interested, please fill in the online Vendor Agreement and Logistics Form by May 1st. Additional information, including the Vendor Information Package, is available at Coquitlam.ca/CanadaDay. Please do not hesitate to contact me directly if you have further questions.

Thank you and I hope to hear from you soon.

Sincerely,

Danielle Russell
