

Minutes HUB Meeting

April 11, 2019

Attendees: Ivan Chow, Michael Nelson, Peter Jongbloed, Jenny Wright, Barry Bellamy

Previous minutes altered to add an attendee that was there, otherwise approved.

Agenda for this meeting changed to read "4.1- Spot improvements instead of Adopt a Gap

4. Old Business

4.1 Spot Improvements: Jenny will resend the spot improvements that Jackie sent her and we will discuss them at our next meeting. For those not completed, we will review them and determine how to get these improvements done.

4.2 ATAC-PM: The committee now has a council liaison assigned to them. Otherwise no new info.

ATAC-MR: Jenny Wright will be a member of this committee. Michael Nelson reported he was declined as a member of the committee. First meeting is April 24th.

4.3 Earth Day: 15 bikes are ready for raffling off at Earth Day. Barry has asked Mayor Mike Morden to do the drawing of names but he has not heard back. Both MLAs will be present so will be asked to draw names if the mayor does not respond. Waivers will be signed by those who win the bikes. General discussion re: organizing for the day. Discussed whether we should have a petition for those who visit our booth to sign if they support and would like increased infrastructure for cycling in Maple Ridge. Decision that we would have to check with HUB office to see if appropriate.

4.4 Cycling Without Age: deferred to next meeting

4.5 Regional Advisory Committee: meeting coming up next week. Peter reports there is an interest in developing a regional ride that would involve the Widgeon Slough/Creek area as a destination.

4.6 Action Plan:

-Discussion that we should organize a ride with MP and MLAs to orientate them to the MR/PM cycle routes and areas where we have concerns

-Ivan will ask Jackie to post info to all the neighbourhood Facebook sites, that we will be at Earth Day and to encourage people to come by and talk to about cycling in MR or PM.

-Jenny will attend April 18th Whonnock Community Association meeting and give a short presentation about HUB; hopefully this will raise the profile in the community and result in more active committee members.

5. New Business:

5.1 New Agenda/Minutes Format: those present feel new format for both of these are working fine.

5.2 Council Workshop: defer to next meeting since those who attended not present.

5.3 Ride with Councillors: defer to next meeting since Dave, who was to conduct the ride, was not present.

6. Financial report: Jackie not present so will defer

7. Meeting adjourned at 8:45
