### Barrier Photos

North side of Railway

## Route alternative

Dike at 34 St (boundary of City of Delta and Tsawwassen First Nation).

### Ask:

Build a small bridge across this ditch

### Why:

Allows a rideable interim measure for crossing the railroad tracks using the 41B St overpass, to return to the breakwater edge-of-ocean route through Tsawwassen First Nation to Highway 17 and the Tsawwassen Ferry Terminal.
