# Welcome!

*Dear member,*

Thank you for taking the time to read about our organization. As a volunteer group tasked with representing your interests, we do our best to engage the community, and are thrilled you're interested in learning more. Below you'll find a quick overview of what we've done, what we're doing, and how you can contact your elected officials and city staff to demand more.

Thank you for reaching out to us – let's keep in touch!

Sincerely,

**Andrew Hartline & Colin Fowler**
