- **East Side Crosscut Greenway** – No update

- **Secure Bike Parking** - Request received for advocacy support from a member who wants to see the Bike Valet returned to the PNE. PNE management responded that they have a bike rack on the Hastings St. sidewalk outside the main gate. We plan to write a letter to the PNE requesting that they provide secure bike parking for fair attendees.
- **Social Rides** - Anthony - [June 23 ride details](#)

#### 8. **Deep Dive - The Broadway Plan update - Jeff**

- The CoV has released three updates on the [Broadway Plan](#): A review of the plan with zoning changes to align with new provincial legislation; the plans for the City Hall Campus (Civic District); and Phase 2 Public Engagement on the Broadway Plan Public Realm and Streetscape.
- While Council delayed implementation of protected lanes along Broadway, there are lots of other Active Transportation details in the plan, relating to local street bikeways other than Broadway, public plazas with bikeways, and so on.
- There is an opportunity to provide feedback on these items at two upcoming open houses, and through the [online survey](#), open until July 14th. We encourage you to make your voice heard. Review the display boards online at the link above, and let the City know what you want to see for Active Transportation not just on Broadway itself, but throughout the Broadway Plan area.
- More details in the [meeting presentation](#).

#### 9. **Consultations / City of Vancouver Updates**

- Traffic Calming in Hastings Sunrise (including the Adanac Bikeway). CoV engagement summary released. More details in the presentation.
- Further changes to the MVA are being requested. Our priorities are side by side riding; the advanced green signal for people walking should include all AT modes; and the helmet law.
- A public campaign on the new regulations around safe passing distances is being launched
- Water Street repairs are complete; the car free pilot is ready to launch for the summer
- ICBC Crash Statistics were released for 2018-2022, showing the intersections with the highest number of crashes involving people cycling
- The Safeway site at Commercial and Broadway, along the 10th and Victoria bikeways, has a new development proposal. Information session scheduled for June 25
- SFU students are working on a blind spot detector for people cycling. I
- Upcoming consultations expected:
