The Honourable Rob Fleming  
Minister of Transportation and Infrastructure  
Province of British Columbia  
By email: [minister.transportation@gov.bc.ca](mailto:minister.transportation@gov.bc.ca)

Dear Minister Fleming:

We write to congratulate you on your recent reelection, and your appointment to the position of Minister of Transportation and Infrastructure.

HUB Cycling is a charitable not for profit organization that has spent over 22 years removing barriers to cycling in Metro Vancouver, while cultivating the health, environment, and economic benefits that active transportation can bring. HUB Cycling's mission is to get more people cycling more often.

We have a Regional Advisory Committee, composed of board members at HUB Cycling, and we work in a coordinating role with 10 HUB Cycling Local Committees in Metro Vancouver, and on regional cycling issues, often with representatives of the Ministry of Transportation and Infrastructure.

We appreciate the work that your Ministry has done over the past many years to support active transportation. We also recognize and applaud your current mandate to work with communities to expand their networks of active transportation to meet the CleanBC goal of doubling trips taken by walking, biking and other kinds of active networks by 2030.

We therefore hope that you will continue to ensure that MoTI projects consider all modes and road users, including people who cycle. We also urge you to work to fund active transportation and the expansion of active transportation networks.

HUB Cycling, and the Regional Advisory Committee in particular, looks forward to continuing to work closely with you and MoTI through the coming years.

Sincerely,

Jeff Leigh
