

HUB Maple Ridge/Pitt Meadows meeting Jan. 16, 2014

In attendance: Peter, Barry, Alex, Dave, Jackie

Notes

Upcoming events:

- Jackie received a request for radio interview by CBC Radio "In Your Neighbourhood" Friday, Jan. 17, 8:10 am at Billy Miner's.
- Sat. April 26, 10 am – 2 pm: Earth Day Cycle Recycle: We'll wait another month before we start collecting bikes. Recycle Depot is aware we'll be dropping by to pick up bikes (Dave, Barry, Geoff). Jackie to post on facebook/twitter, and send out e-mail to e-mail list to ask for bike donations. Alex has Casey's old bike to donate + 2 or 3 small bikes from last year's Scouts workshop.
- Slow Food Cycle Tour MR/PM? (Jackie, Dave?). Jackie and Kim of Golden Ears Food Co-op will meet with Kristina Gervais of Maple Ridge/Pitt Meadows Tourism this month. Preferably we'll do a ride in Pitt Meadows (quieter roads!), but need to find interesting destinations.
- annual ride across the bridges with HUB Tri-Cities + Surrey (and Langley Cycling Coalition?): We'll have to wait until Port Mann bridge ped/cycling path is open for use (end this year or next year?).
- Ivan will attend HUB's media training session for local committees on Feb 17.

Other:

- Transportation Plan Update: no new date yet for Council Workshop.
- Bike to School update: Alex will have bike to school funding put on the agenda for the first Bicycle & Ped Adv. Committee.
- MR BAC update (Alex): the new Bicycle and Pedestrian Advisory Committee is on the agenda for Council Workshop on Feb. 3. The January meeting of the BAC has been canceled.
- PM ATAC update (Peter): First meeting will take place in February.
- New Year social at Ivan and Jackie's: Fri. Jan. 24 pizza night!
- Jackie has some large maps of Maple Ridge/Pitt Meadows from Engineering that might be useful for our meetings. She will bring them to next meeting.
