**Call to Order: 735 PM**

**1. Meeting with council and mayor**

Tim and HUB CEO meet with Mayor on Oct 18 regarding the withdrawal of funding for educational program support by City of Surrey. Surrey Board of Trade and Surrey School district have given letters of support for HUB education program. Letter has been drafted and will be sent to the Mayor.

**2. Local Committee Workshop**

TransLink will be sponsoring this workshop on the major bike network. This will be a virtual meeting. Robert and Tim will be attending.

**3. Bike Awards**

Rec for Kids and the Rotary Ride are two group we may wish to recognize. Tim to submit forms.

**4. Other groups**

Alaina indicated that the South Fraser Active Living Group and the Spinal Cord Injury BC as two possible groups to partner with especial regarding greenways and MUPs.

**5. Cloverdale Town Centre Plan**

It looks like the long-term plan isn't providing safe cycling in the town centre, which will leave people cycling at risk and lower cycling use. Let planners know that cycling infrastructure needs to be provided so that people cycling can visit businesses by bike!

## 7. Gap priorities/Small fixes

If you are aware of any gap priorities/small fixes, email the details to Tim. You can also report it on the City of Surrey online reporting system at [MySurrey](#).

Alaina suggested that the City of Surrey post signage about the 1.5 m passing distance for cyclist. Langley has been doing this. This is line 115 in gap list.

Edward had about 9 fixes, but they were already in our gap list.

## 8. Near misses

Any near misses between cyclist and car need to be reported to the City of Surrey at [MySurrey](#). This will indicate that an issue does exist.

## 9. Shifter

Shifter from Calgary put out some very good cycling video regarding a wide range of topics.
