Mayor and Council
City of North Vancouver

Dear Mayor and Council

Re: Thank-you for COVID-19 Road Reallocations

HUB Cycling is a charitable organization working to get more people cycling more often. We make cycling better through education, action and events. More cycling means healthier, happier, more connected communities. We're leading the way in making cycling an attractive choice for everyone.

HUB Cycling's North Shore Committee would like to formally thank the City for reallocating roadway space to allow for safer social distancing on the Green Necklace along Grand Boulevard. The recent multi-block, one-way street addition from 23rd to 19th is particularly good since the chicanes installed as speed control measures on the Green Necklace squeeze users into a pinch point.

We really appreciate the City trying out new ways for people to experience cycling that are safe and convenient.

We recognize it is not always easy or popular to change road use. Thank-you for having the vision to reallocate space where it is warranted and for making cycling safer and more convenient.

Yours sincerely,

Don Piercy,
Chair, HUB North Shore Committee
