6. Consultation/CoV Updates

- [Portside Greenway](#) - Jeff and Anthony met with CoV team, discussed options. Choice is essentially between Point Grey Rd (west of Macdonald) style street or Point Grey Rd (between Trafalgar and Macdonald) style road. In general, we prefer the “fewer cars, more green space” options.
- W 1st Ave/Fir St - Jeff and Anthony met with CoV team. Look for consultation soon. Separated and protected lanes along W1st Ave and Fir St to make active travel around Senakw. Good discussion about area, and the need to connect to the whole network, including W2nd from Fir to Pine for Arbutus Greenway destinations
- Granville Connector work progress continues (more photos). Opening Q1 2025. Discussion about new separated bike lanes along Pacific, and about how north end ties into Arbutus Greenway.
- Upcoming anticipated consultations: Civic District (including 10th Ave between Cambie & Yukon, look for new secure bicycle parking facility in plan): 25Q1; Gastown Pedestrian Streets (report back, plan for summer 2025): 25Q1; Portside preliminary design engagement: 25Q2; Burrard Slopes park: 25Q1/Q2; Killarney neighbourhood traffic management plan: 25Q1; Rupert/Renfrew Area Plan: 25Q1
