

Langley Local Committee Meeting - Hub Cycling Minutes 2024.09.18

Attendees: John Evanochko, Michell Nurse, Andrew B, Randy Killick, Jordan Ducheminisky, and Tomer Curiel

1. John made note that HUB is for Township and City of Langley. The agenda is a rehash.
2. 40th between 200th and 204th has a MUPs. Randy gave a description of the changes that have been made
3. 12 committees in Metro Vancouver HUB. Each have submitted gaps. Barry has updated Langley gaps. List has been completed and submitted to Township engineers and HUB central.

ACTION: Review the gap map bi-annually.

The gaps have been broken up into segments that more closely match upgrade plans.

Michael is not here to analyze "Metroview" Strava data.

4. New Business

a) Maze Gates

- We've got sympathetic parks board person who's made a map.
- Identifying the important ones that block using child bike trailers to get to school.
- Submitted the most disturbing maze gates and bollards. The budget to fix these is underway.
- HUB Langley would support a delegation presentation to console.
- Do we have a consensus on what is preferred after the gates get removed?
- Single bollard
- Meghan Woods is a cyclist that was on sustainability, but she's moved to Vancouver Island.

b) 202 upgrades

- Sharrows. Maze gate was replaced with Bollards.

c) City has Transportation 2050 Plan.

d) motor vehicle act about safe passing distance

- Hard to enforce

5. No other business
