Mayor and Council, City of Coquitlam

Re: Support for Bylaw No. 5112, 2021 and 5113, 2021

The Tri-Cities Local Committee of HUB Cycling are happy to support Coquitlam's proposed bike parking bylaws 5112, 2021 and 5113, 2021. These bylaws will be crucial in enabling more people of all ages and abilities to get around the city by bicycle, as a lack of safe, secure, and convenient bike parking and end-of-trip facilities are a major deterrent to bike use. We further commend the City of Coquitlam for exploring parking options for cargo bikes, which are typically used to replace vehicle trips that involve shopping or carrying children. We also wish to thank the City of Coquitlam for recognizing and adapting to the growing adoption of e-bikes by implementing rules such as charging stations in long-term bicycle parking facilities.

We would like to thank you for your time in reading our letter of support for bylaws 5112, 2021 and 5113, 2021.
