1. 2022 Action Plan

Members reviewed the 2021 Action Plan and filled out a 2022 Action Plan

Letter to Mayor and Council thank you

Bruce to draft a letter thanking the mayor and council for completed infrastructure projects and support of cycling education. Infrastructure includes 154 Street, 64 Ave protected cycling, new painted bike lanes in Newton Town Centre and 132 Street.

Letter to BIA

Tim to draft letter to BIA. Bruce and Isabelle to provide research.

Group Ride

First group ride is planned for April 2. Planning a 10 km ride in North Surrey or South Surrey.

Other Business

- Discussion on street sweeping and service requests. It was noted that pothole repairs were addressed but sweeping wasn't completed when Robert called for service
- Discussion on concrete curbs vs flexible barriers vs concrete no post barriers. Snow plows may have moved one of the new concrete curbs on Fraser Highway
- Baffle gates - suggestion to partner with mobility groups regarding removal of baffle gates to progress and to advocate for protected bike infrastructure to support mobility. Neil was going to present at a February meeting various designs.
- King George Nicomekle Bridge replacement underway. No signs for cycling warning of lane closure or to ride in traffic was noted. Suggested putting a request in.
- Discussed Okanagan Trestle tour which is happening this summer in July

Meeting adjourned at 8:30pm
