We supported with a submission to staff and will continue to support as needed as he proceeds with this matter. When budget open house is held in the new year we will want to be there and ensure there is a line item for removal/rectification of these gates. Expect it to be a multi-year process.

4. New Business - none
5. Other Business/ Announcements/ Upcoming Events
 - a. John will be stepping down from role as chair effective December 18 so is looking for someone to take over. He will continue to attend meetings and provide support to the new chair as needed.
