June 26, 2019

Dear Minister Trevena and MLA Chandra Herbert,

On behalf of HUB Cycling, I want to send my sincere thanks for the commitment you have made to improving active transportation in BC. After many years of encouraging past Provincial elected officials, you two have launched the first BC Active Transportation Strategy. This document showcases the importance of promoting walking, biking, and rolling in creating livable, healthy, and resilient communities.

We commend you and your staff on their dedication to releasing the strategy this year, including the new infrastructure design guidelines, as well as inclusion of improvements to education, promotion, and legislation. We look forward to working together to further support the implementation of the strategy and seeing its many benefits.

Congratulations on the release of the BC Active Transportation Strategy!

Sincerely,
