- SFU June 2 8 to 10 AM and Surrey Hospital 12 to 2 PM putting on event
- See [HUB site](#) for details

Bike Ride with Rotary Club May 13 recap

- Most of the attendees were from Rotary Club. Bruce led the ride.
- Two city councilors showed up.
- The route was mainly around protected bike infrastructure.
- Split into groups of four.
- We would like to repeat for next year.

20 Ave Project

- Neil attended the open house for this [project](#).
- Meet with Peter Klitz from City of Surrey
- Input and concerns were raised
- Project is on schedule and will go ahead as planned
- South side of land is not owned by City. The developer will have to make the upgrade.
- This will not connect onto Highway 99.
- Presentation [board](#) can be viewed here.

Nicomekl River Park project Open House

- Project information can be found [here](#)
- Input being sought June 14 to July 12 [here](#)
- This greenway plan does not appear to include recreational cycling
- Open house June 20 at Elgin Hall, 14250 Crescent Road

Recreational Cycling HUB sub-committee and presentation to Heritage committee recap

- Rejean meet with City of Langley
- Naming the corridor
- Outlining the boundaries
- Boundary bay to Fraser river
- More information to follow

84th Ave park update

- No bike path or sidewalk on east end of 84th Ave by 140th street
- No signage to join bike path on north side.
- South side path is not fully paved
- Road traffic has been prioritized for this project
- Overall road traffic on 84th Ave has increased

Next meeting 15 June
