

## Family ride 14 Oct

### Bike Route

**Meeting location:** King George Station – TransLink – east end (Whalley Blvd side)

**Meeting time:** 930

**Safety Briefing:** 945 AM

**Depart:** 10 AM

Note for the majority of route Multi-Use Paths (MUPs), Protected Bike Lane, Greenway paths, alleyways, subdivision roads are used. This should be comfortable for all cyclists.

From 101A Ave to 104 Ave you will be on 156 street. This is a single lane road with a painted bike lane. Cyclists must be comfortable with riding on this type of road condition. 110 Ave does not have any bike lane. We must take the lane. Same goes for the first part of Whalley Blvd when we leave the SkyTrain station.

*Use Google Maps and its street view feature to view the bike route before signing up. **Do you feel comfortable and have the biking skills to take this route? If the answer is no, do NOT sign up.***

#### Directions:

1. Head east on SkyTrain Access road, right turn onto Whalley Blvd.
2. Left at Fraser Highway, enter Multi-use path (MUP).
3. Take Fraser Highway 1.2 km, between 96 Ave and 144 street, use crosswalk to enter Green Timbers Greenway.
4. Take Green Timbers Greenway eastbound to 150 street, 1.5 km. Left onto 150 street.
5. Next intersection right onto 95a Ave.
6. One block right onto 151a Street.
7. 67 meters, left into alley way.
8. Use cross walk at 152 street. Follow Green Timbers Greenway eastbound.
9. Use cross walk at 156 street.
10. Left into Alley way northbound.
11. Right turn into alley way to 157 street. Left onto 157 street. Cross 96 Ave by walking across intersection.
12. Follow 157 street to 99 Ave. Note between 97A Ave and 97 Ave you are on a walkway path/MUP.
13. Left into Davidson Park. Ride though Davidson Park.
14. Right turn into alley way to 100 Ave.
15. At 100 Ave walk up to intersection and crossroad on foot. Walk back down to alleyway.
16. Take alley way north bound to 101A Ave.
17. Right turn onto 156 street, use bike lane to 104 Ave.
