# HUB North Shore 2020 Goals

- Implementation of 3 Top Priority Bikeways
- Establish communications with community stakeholders re Bikeways.

# 2020 Progress on 3 Top Priority Bikeways

---

- **Implementation plan for each route**
  - DNV has all segments in their priority list but some parts are way out in the future and below other low priority sections.
  - CNV completed W1st, Esplanade in 2021, other sections are on their priority list.
  - DWV trialed slow streets on Bellevue, but has not prioritized other segments. 2021 plan: Marine Dr (bridge 2 cap rd) & Welch St bridge
- **Budget allocation for building the Bikeways.**
  - DNV & CNV have both committed a significant portion of their 2021 transportation budgets to Cycling related infrastructure.
- **Bikeway Designs:**
  - New designs are better, but still could be improved.

# 2020 Progress on Community Communications

---

- Establish communications with community stakeholders re Bikeways:
  - Lower Lonsdale BIA - quite positive.
  - Park-Royal & Ambleside BIA - Deferred
- Potential users of Bikeways
  - Deferred due to Covid
    - "Interested But Concerned"
    - Cycle Clubs
    - School Groups

# 2021 Goals:

---

- 1) Implementation of 3 Top Priority Bikeways
  - a) Speed up completion
  - b) Ensure they are Comfortable for Most
- 2) Enhance our communications to get more people cycling more often.
  - a) How?

## 3 Bikeways Next Steps:

---

- 1) Liaisons to get Development schedule:
  - a) per segment for each municipality
- 2) Review budgeting process to figure out when to push - public consultation (Jan?)
- 3) NXSTPP, ...
- 4) Muni Transport plans - provide input
  - a) West Van this spring?
  - b) CNV - Esplanade & central Lonsdale
  - c) MoTI - Economic Recovery funding

# Communications Next Steps:

---

- 1) <Comms group Meeting>
- 2) What are the goals, key messages
- 3) Develop additional channels
- 4) Note: Municipal elections are in Oct-2022
