Nicomekl River Park project

- 2 Stakeholder meetings in early Aug. Environmental and recreational focus meeting was the one Tim attended. They are looking at a 3-meter-wide boardwalk. The sea dam will be rebuilt. Issues raised about phase 3 & 4 bike path on south side.
- Phase 3 is east of 152 street. See this [post](#) for details.
- In phase 1 MOTI has built [a trail](#), see Facebook post by Rejean from Aug 15 for [pictures for Hwy 99 overpass](#). This is between King George road and Hwy 99 on the north side of the dyke. See this [link](#) as well. Might be useful to connect with the bus park and ride facilities. Unfortunately, this park and ride is not set up for active transportation use. See the many posts on the Surrey Hub Facebook page.
- TransLink has a ride and shine [event](#).

Bike Ride with Rotary Club

- Tim to draft letter.

132 street Project

- 72 to 80 Ave new bike infrastructure might be developed, where possible. Tim has provided feedback to the city. Reply received from city officials.

192 street north of 60 Ave

- More of the bike path to the school is being lost due to recent construction. Additional space being allowed for parking.
- See [video](#) from TransLink – Why did Kids stop walking to school?
- Can the local HUB committee provide information to the school PAC. Bruce and Alaina to have more discussion on this issue.

Next family bike ride

- Possible date for next ride either 14 or 15 October. Possible use the Ride and Shine route from TransLink [map](#). Alaina to make up a poster and contact Robert who will be the ride leader.

Online Report system – City of Surrey

- When using the City of Surrey Report a Problem online [system](#), you cannot currently see the status update. This has been an issue for several months. Robert is checking with the city on this issue.

Hub 25-year celebration

- Sept 9 ride Robyn Park to Burnaby to the HUB 25th celebration. Cathy Acuna from HUB is doing up the registration information.

HUB AGM

- Tim has put a PowerPoint presentation together regarding our activities for the last year for the HUB AGM. Asked for input from the group.

Videos

- Robert has recently posted videos of traffic issues on the Facebook page. A trucking incident video was sent to the company, which reprimanded the driver.

176 & 174 on 32 Ave

- John wanted to know what HUB view on this stretch of road with poor share the road lane?

CCCTS rides

- John to put information on our Facebook page and email Tim with the details.

East of Fraser Hwy on 64th Ave

- Issue with power pole and its guidewire. John Burgess has made a complaint to the city. For these issues use the report [online system](#).
