- Introductions
- Previous minutes approved
- Additions to Agenda
  - None
- 4488 Victory Street new pedestrian updates as part of [vision zero upgrades](#), but no bike improvement. Send an email to transportation committee
  - Add some bike improvements - more like Union and Duthy July 2024
    - Bike buttons
    - Crosswalk
    - Bike friendly signage
  - How can we be engaged and provide feedback earlier
  - Arseni will write the email
- Burnaby Lake path paving delayed, [horse advocates opposing got into burnaby now](#)
  - Send an email to council saying we support a bike path because it is critical to provide access to newly built overpass. We appreciate the concerns of the horse council, but underscore the importance of high quality AAA connections to the overpass, perhaps a parallel path for horses or cyclists can be provided? CC email to Burnaby Now - Blake will write
- Poster in Vancity how do we want to design it?
  - Link to link tree with discord, newsletter, and social ride. Sebastian + Leandro
  - Talk about social ride
- Went over action priorities
- Reminder about bike locker emails
- How do we do quarterly meetings with the transportation staff, reach out and ask for a meeting? Usually we had something to talk about
  - Follow up on assessment reports
  - South East/Cariboo follow up
  - Edmonds phase 2 - nothing seems to be happening
  - Victory street follow up (after we send email)
- Discussed parkway alive project, will keep eyes out for draft plan in October at which point we will provide more feedback
- We will follow the project using the burnaby bike hub email
- Gap map will be on google maps going forward - supplemental meeting on how to use google maps
  - Sebastian and Arseni will take a look and try to understand it
- Establishing a rotating council watcher. To watch and take notes on council activity and report on it at the next meeting - Jasper is our inaugural council watcher
- Wendy will be our Secretary
- Discussed CVG assessment report
  - Hank did a good job with formatting

- Hank + Leandro will make the photos nice to look at
- Discussed next social ride options are:
  - Along barnet to breweries
  - Jasper found a side street route to get to port moody
  - Jasper will plan
- We're worried that our email to transportation department about flexible bollards went to spam
- Nothing on gamma, maze gates, wayburn
- Jasper will draft an email asking for minimum passing distance signs to be posted
- Wendy will help Arseni expense the beers for assessment ride
