Subject: Appreciation For Our Parks and Park Streets Opened to People Biking & Walking

Dear Commissioners,

On behalf of HUB Cycling, I would like to express our appreciation for the efforts you're taking to keep Vancouver parks open for all Vancouverites seeking fresh air, recreation and sanity!

In addition, we applaud the further efforts to help ensure that the huge numbers of people seeking outdoor time can do so comfortably and safely by opening Stanley Park roads to people biking and walking. I had the pleasure of biking in the peace, safety and quiet of a Park road without motorized traffic and it was a great experience.

Keep up the good work and all the best,
Lisa Slakov
