Questions for candidates municipal election 2018

Question 1	Would you vote in favour of infrastructure investments that separate bicycles from motor vehicles along key transportation corridors and certain busy commercial streets?
Question 2	Would you vote in favour of infrastructure investments that close the gaps in the municipal and regional cycling network so it is well connected, allowing people to travel safely by bicycle?
Question 3	Do you think the budget for cycling infrastructure should increase, stay the same, or decrease and why?
Question 4	Do you support providing transportation cycling education to all Vancouver elementary schools so that people can learn to be safe and responsible road users early on?
