

HUB Maple Ridge/Pitt Meadows meeting minutes November 8, 2018

In attendance: Michael N, Barry B, Peter J, Dave R, Ivan C

Summary

- Sept. 15, 10 am - 2 pm: GETI Fest: no Cycle Recycle this year due to insufficient number of volunteers.
- Repair Cafés:
 - Sept. 15: GETI Fest, Memorial Peace Park. Dave and Chris Barber were not available. Keith Akenhead manned the bike repair station.
 - Oct 13: Dave attended event. Demand was pretty light.
- Sept. 21: BIA's pop-up parks event 224th Street. HUB Bike valet canceled due to heavy rain. Jackie volunteered with BIA to help set up instead.
- Nov. 2: Bike To Work station on 203rd and 123rd Ave: Not a heavy traffic route. We should consider a different venue (e.g. Westcoast Express stations) next year.
- All Committee Workshop Nov 29: Ian and Peter will be attending on our behalf.
- Civic election: Jenny and Jackie conducted interviews with willing candidates in Maple Ridge. Climate in Maple Ridge council will likely be less friendly to cycling as a result of the election. We should discuss what we should do in the new year.
- Translink Major Bike Network 2019 cost share program: passed deadline with no response from D Pollock.
- Christmas dinner gathering: to be held at Dave's on Dec 9.
