Cc: Amy Choh <amy.choh@burnaby.ca>, Po Sun <po.sun@burnaby.ca>

HUB Cycling's Burnaby Committee would like to bring to your attention the intersection of Imperial Street and Humphries Avenue/Morley Drive, along the Lakes Bikeway. This intersection is currently uncontrollable by cyclists and pedestrians.

In its current state, the intersection is risky due to:

- Imperial Street can experience high volumes of traffic that can cause those wishing to cross to wait for prolonged periods of time.
- Imperial Street allows for motor vehicles to move at speeds that are difficult to properly judge and safely navigate when crossing.
- The anticipated increase in usage from densification of Kingsway + Edmonds Project and Transport 2050.

We would like to request improvements to this intersection by suggesting the following:

- A signal light that is controlled by people walking or cycling.
- The creation of marked pedestrian crosswalks with any necessary sidewalk modifications.
- The painting of green bikeway crossing marks.
- Signage along Imperial notifying drivers of a bikeway and pedestrian crossing.

Thank you,

Blake Standard
HUB Cycling, Burnaby Local Committee
