Additions to Agenda

- New safe passing distance law [\[2\]](#). The province has designed signs for use. Jasper to draft email to the City about using the signs (to send from HUB Burnaby email).
- Email from member of public: Investigate Victory bikeway and flashing lights.
- Jasper has the new business cards.
- Question: Do we make newsletters? Not currently; good suggestion to look into.
- MOTI project list: Cathy sent a link [\[3\]](#), Arseni will look into opening up the map.

OCP for Edmonds, Royal Oak, and Cascade Heights

- Committee to read through plans and summarize feedback in Google Docs. Send out to groups.IO for the survey and also draft a letter (may need assistance from HUB Main).

Letter in Support of Bike Lockers

- Arseni has started a draft, will share with the committee to add feedback.

Next Assessment Ride

- Need to finish the last assessment ride before next meeting and then can plan next one.

Follow-up Letter about Jagmeet Singh Ride

- Jasper was the ride leader, supported by Arseni. Ride went well! Jasper and Arseni will draft a thank you letter, and also highlight major gaps. To send to Cathy for review.

Discord Clean-up

- A lot of threads are old and can be archived. Arseni will work on this.

Update on Felt exporting

- Arseni checked and there isn't an easy way to export unless we have the premium plan (too expensive). Not able to use it for the gap map to send to HUB, but can keep using for maze gates and collision data.

Next Social Ride

- Jasper shared tentative route; will work with Sebastian to plan for July 13.

Letters & Correspondence

- **Wayburne/Manor** - Wendy will work on it.
- **Gilmore/Myrtle** - City made a new design. There have been delays, but should be installed soon.
- **North Gamma Bike Measures** - Message regarding transforming Gamma into an official bike route and adding more bike features as it is calmed and easily connects the Trans Canada to the Frances Union. Check with Blake next meeting.
- **Oakdale** - Tabled.
- **Maze Gates** - Arseni will work on it.
- **Barnet Hwy** - Not part of current project.

Next meeting

- Difficult to find in-person meetings for 7-8:30pm for free (libraries close earlier). Keep meetings online and plan casual outings/redirect in-person time to specific things e.g., finalizing assessment reports. Can revisit in-person meetings in the fall.

Adjourned 8:41pm.
