Hi all,

I imagine you have already heard about this but I wanted to make you aware that Coquitlam is set to receive \$422,500 of BikeBC funding for Dogwood Fairview Citywide Greenway. <https://news.gov.bc.ca/releases/2017TRAN0138-000926>
Was this a project that you'd submitted a letter of support for?

Many thanks,

Ellie
